

# SHONUBI-AMBALI AYOMIDE.O

Web Developer & UI|UX Designer

A front-end developer who is responsible for creating the user interface and experience of a website or application. I have expertise in HTML, CSS, and JavaScript to design and implement interactive and visually appealing elements. I have collaborations with designers and other developers to ensure seamless integration and optimal performance. Additionally, I stay updated on emerging technologies to enhance user experiences and maintain a responsive and accessible design.

## EXPERIENCE

**United Way Greater Nigeria, Nigeria** — *Web Developer Intern*

SEPTEMBER 2023 - NOVEMBER 2023

Collaborated with other interns to design and develop a fully functional website with HTML, CSS and Javascript

Worked with developers and designers on iterating client feedback on UI/UX design

Worked with a team to convert client ideas to high fidelity

**Freelancer, Nigeria** — *Web Developer*

SEPTEMBER 2023

Created visually appealing UI designs that met good designs for clients using Figma

Designed creative Fliers and Banners for clients Using Photoshop

Made a Prototype of a UI Design on Figma

## OTHER EXPERIENCE
